Closing out a challenging year on a high note with a positive sale is truly gratifying. In the winter season, spanning the last six months, we experienced downward pressure until reaching the fifth sale of the season. The last two sales picked up again to end at the same levels as the first sale. The one big difference was the competition in the saleroom. So far on all the sales this season, there were just the two processors competing for mohair. On this sale, all the buyers started to compete. This is a good omen for 2024. There is still stock at hand, but we are positive that much of this stock will be sold before we start the new season in 2024. Special mention of the two top prices of R750.00/kg for the best bales of winter kids of Lloyd Short and David Short from Graaff-Reinet. The HF warehouse will be closed for the Christmas break from the 14th of December till the 4th of January. If you need any assistance or want to drop off mohair, please contact one of the technical personnel to assist. We thank you for your support and wish you a peaceful and blessed time with your loved ones over this festive season.
