COMMENTS / AANMERKING:

The 2nd mohair sale of the 2020 summer season made full use of the good demand and the weakening of the Rand against all major currencies. The House of Fibre excelled on this sale with two new world record prices for The House of Fibre! The offering of more than 70% of all brokers was of excellent quality and even the worldwide Coronavirus crisis did not put a stop on the demand. Weeber Truter, from Oudtshoorn, broke the 5-year-old world record price of Frans and Louw Retief from Murraysburg (R601.00/kg) for second shearing winter kids, when the 24.8-micron bale with super style and length sold for R625.00/kg. This bale was bought for a client in Italy. An adult bale (offered as winter young goats) of the Fanie Marx Trust of Aberdeen also set a new world record price for adults when his 27.6-micron bale with a clean yield of 83.6% sold for R440.10/kg! This bale is also destined for Europe. The Fanie Marx Trust also achieved the second-highest clip average ever when they sold their total clip for R417.30/kg! The next sale at The House of Fibre is also a big, high-quality offering. Depending on the exchange rate, similar results are expected. This report was compiled by Pierre van der Vyver, General Manager: The House of Fibre

Die 2de sybokhaarveiling van die 2020 somer seisoen het ten volle gebruik gemaak van die goeie aanvraag na bokhaar en die steeds verwakkende Rand teenoor die meeste groot geld-eenhede in die wêreld. The House of Fibre het ook 'n besonderse goeie veiling gehad met 2 nuwe wêreld rekordpryse en het meer as 70% van die totale aanbod gehanteer. Nie eers die wêreldkrisis van die Corona virus kon die hoë kwaliteit aanbieding onder kry nie. Weeber Truter van Oudtshoorn het die 5 jaar oue wêreldrekordprys vir 2de skeer winter kleinbokkies van Frans en Louw Retief van Murraysburg (R601.00/kg) gebreek toe sy 24.8 mikron, super styl en lengte baal verkoop het teen R625.00/kg. Die baal is bestem vir 'n kliënt in Italië. 'N baal grootbokhaar (aangebied as winter jongbokhaar) het ook 'n nuwe wêreld rekordprys opgestel toe die 27.6 mikron baal met 'n skoonopbrengs van 83.6% verkoop het teen R440.10/kg! Die verkoper was Fanie Marx Trust van Aberdeen. Dieselfde skeersel het ook die tweede hoogste gemiddeld ooit vir 'n totale skeersel opgestel toe die skeersel verhandel het teen R417.30/kg gemiddeld! Die volgende aanbieding van The House of Fibre is ook 'n groot, hoë kwaliteit aanbieding en afhangend van die wisselkoers word dieselfde tipe resultate verwag.
