COMMENTS / AANMERKING:

The 5th mohair sale of the 2020 summer selling season will be remembered for the excellent demand for kids and superfine young goats. The seasonal record for summer kids was broken several times during the sale with the final victor, Billy and Fred Colborne from Colborne Farming, Willowmore at R710.10/kg! This for a super style, 23-micron, 94.1% clean yield summer kid bale. Jan Lategan from Aberdeen sold his best young goat bale for R550.00/kg! The offering was one of the best quality offerings ever, that helped alleviate the price penalties caused by the uncertainty around the Coronavirus pandemic. Especially the stronger component of the clip experienced continued downward pressure. The two local processing companies are still buying the biggest portion of the offering, but some of the other buying houses are starting to show interest as well. This offering was quite big, but the last sale of the season on the 30th of June will be smaller, but of the same excellent quality.

Die 5de sybokhaarveiling van die 2020 somerverkoopsseisoen sal onthou word vir die uitstekende aanvraag vir kleinbokkiehaar en super fyn jongbokhaar. Die seisoensrekord vir somer kleinbokkiehaar het 'n paar keer gedurende die veiling gesneeu met Billy en Fred Colborne van Colborne Farming, Willowmore, die uiteindelige oorwinnaars teen R710.10/kg! Dit vir 'n super styl, 23 mikron, 94.1% skoonopbrengs kleinbokkie baal. Jan Lategan van Aberdeen het op sy beurt weer sy beste baal jongbokhaar verkoop teen R550.00/kg! Die veiling was regtig een van die mooiste aanbiedings ooit. Dit het baie gehelp om die onsekerheid rondom prys en aanvraag te bekamp as gevolg van die voortdurende onsekerheid wat veroorsaak word deur die Coronavirus pandemie. Veral die sterker gedeelte van die skeersel bly onder druk en bly daal in prys. Die twee groot plaaslike verwerkers van bokhaar bly die leeu-aandeel van die aanbieding koop, maar ten minste begin daar ook belangstelling van die ander kopershuise kom. Die aanbieding was groot, maar ten minste is die laaste veiling se aanbod kleiner, maar van dieselfde hoogstaande kwaliteit. Die veiling word op 30 Junie aangebied.
