COMMENTS / AANMERKING:

The last winter mohair sale of 2020 experienced excellent demand and achieved very good results. Taking into consideration that the market improved with 3% against a currency that strengthened with 2%. The driving factor was the feverish demand for RMS certified mohair from the big three buyers. 2020 was an abnormal year, but at the end of it all The House of Fibre is extremely proud of its performance this year. We cemented our place as the biggest mohair broker in the world with another increase in the market by 4%! The fact that at all top prices were achieved by The House of Fibre, including a world record price for adults and one for winter kids, was a bonus. Total fibre support for House of Fibre increased this financial year with 81%! The RMS clip of the Wienand's of Somerset East excelled today, including the best price at R583.00/kg for a good style, C-length, 24-micron winter kid with a clean yield of 83.4%! We say a very big thank you to all our clients who stood with us in very trying circumstances. We pray for lots of rain and a very blessed festival of the birth of Christ. The first sale of the 2021 summer selling season will be on the 9th of February 2021.

This report was compiled by Pierre van der Vyver, General Manager: The House of Fibre.

Die laaste winter sybokhaarveiling van 2020 het uitstekende aanvraag geniet met baie goeie resultate. As daar in ag geneem word dat die Rand wisselkoers weer versterk het met 2%, maar die mark styg ook met 3%. Die dryfveer agter dit was die koorsagtige aanvraag vir RMS gesertifiseerde sybokhaar deur die groot drie kopershuise. 2020 was 'n uiters vreemde jaar, maar The House of Fibre is uiters trots op wat ons bereik het hierdie jaar. Nie net het ons die posisie van die grootste sybokhaarmakelaar ter wêreld vasgesement met 'n verdere groei van 4% markaandeel nie, maar ook al die beste pryse behaal wat insluit onder andere 'n wêreldrekordprys vir grootbokhaar en een vir winter kleinbokkiehaar. Die totale vesel ondersteuning van House of Fibre het hierdie finansiële jaar gegroei met 81%! Die RMS gesertifiseerde skeersel van die Wienand's van Somerset-Oos het op alle vlakke uitgeblink met onder andere die hoogste prys van die dag van R583.00/kg! Dit vir 'n C-lengte, goeie styl, 24 mikron winter kleinbokkiebaal met 'n skoonopbrengs van 83.4%! Almal in die House of Fibre-span sê 'n baie groot dankie aan al ons produsente wat onder uiters moeilike omstandighede bankvas agter ons gestaan het. Ons bid vir milde reën vir almal en 'n geseënde feestyd om die geboorte van Christus te gedenk. Die eerste veiling van die 2021 somerseisoen skop af op 9 Februarie 2021. Hierdie verslag is saamgestel deur Pierre van der Vyver, Algemene Bestuurder: The House of Fibre.
