COMMENTS / AANMERKING:

The sixth (2nd last sale) mohair sale of the 2021 summer selling season did not disappoint, yet again. This sale became known for the sale where all the best clips in the world compete for honours. No surprise to see world record prices achieved all over and deservingly so. The best price of the season for summer kids went to Billy & Fred Colborne (FEC Farming), Willowmore at R922.00/kg for a super style 22.7-micron bale with a clean yield of 93.6%! (The world record of R1 256.10/kg of Van Hasselt Farming is still safe) Then the Colborne's clinched the deal with the new world record for young goats (offered as winter kids) in the young goat section at R855.00/kg (25-micron winter kid) Jan & Jannie Lategan from Aberdeen took the honours with a world record price of R790.00/kg for a 26-micron summer young goat! They continued with both categories in the adult section as well with world records for a 27.3-micron adult (presented as a winter young goat) at R769.00/kg and R600.00/kg respectively for a 28.2-micron bale of adults presented as adults! For the first time, more than 80% of the offered mohair was RMS certified and the price differences showed. The last sale of the summer season will be substantially smaller, but the quality will still be there with some more top clips competing. It will be offered in the Port Elizabeth Mohair Exchange on the 8th of June 2021.

Die sesde (2de laaste veiling) sybokhaarveiling van die 2021 somer verkoopsseisoen het weereens aan die verwagtinge voldoen. Die veiling het die reputasie dat al die beste skeersels ter wêreld hier meeding vir die beste pryse. Dit was dus geen verrassing toe die wêreldrekordpryse begin links en regs spat nie. Die boere verdien elke sent wat hulle hier verkry. Die beste prys vir somer kleinbokiehaar hierdie seisoen het gegaan aan Billy & Fred Colborne (FEC Farming) van Willowmore teen R922.00/kg! Dit vir 'n super styl, 22.7 mikron baal met 'n skoonopbrengs van 93.6% (Die wêreldrekordprys van R1 256.10/kg van Van Hasselt Farming is vir eers veilig!) Daarna het die Colborne's die sake reg gestel met 'n wêreldrekord van hulle eie vir jongbokhaar. Die 25 mikron baal was aangebied as 'n winter kleinbokie met rekordprys van R855.00/kg! Jan & Jannie Lategan van Aberdeen het egter die vloer gevee met beide rekords vir grootbokke en 'n rekord vir jongbokke (25.9 mikron) teen 790.00/kg! Dieselfde patroon het gevolg met die grootbokke toe die wêreldrekordprys aangeteken is van R769.00/kg (winter jongbok) vir 'n 27.3 mikron baal, gevolg deur die rekord van R600.00/kg vir 'n 28.2 mikron baal, aangebied as grootbokke. Vir die eerste keer was die totale aanbieding van RMS haar meer as 80% van die haar aangebied met groot prysverskille. Die laaste veiling gaan aansielik kleiner wees, maar nog steeds van 'n baie hoë gehalte. Die somer seisoen word afgesluit in die Port Elizabeth Sybokhaar Beurs op 8 Junie 2021.
